FORMAL PUBLIC NOTICE

RISK MANAGEMENT PLAN (RMP) DOCUMENT REVIEW

CALIFORNIA ACCIDENTAL RELEASE PREVENTION (CalARP) PROGRAM

In accordance with the California Health and Safety Code, Chapter 6.95, Article 2, Section 25535.2 and the California Code of Regulations, Title 19, Division 2, Chapter 4.5, Section 5070.2, notice is hereby given that the Risk Management Plan (RMP), dated April 2024, has been accepted as complete for the following stationary source facilities:

CITY OF WATSONVILLE, WATER DIVISION
WELL #19
6 EUREKA CANYON ROAD,
WATSONVILLE, CA 95076

The RMP is a detailed engineering analysis of the potential accident factors present at the facility and the mitigation measures that can be implemented to reduce this accident potential.

The purpose of the RMP is to reduce the risk of an accidental release for the Program Level Two (2), Chlorine covered process from the stationary source facilities.

The RMP is available for public review and comment for forty-five (45) calendar days from the date of this posting. Any interested party may review and comment on these plans at the County of Santa Cruz Environmental Health Division (CSCEHD) office, by appointment only, at the following location:

County Government Center
701 Ocean Street
3rd Floor – Room 312
Santa Cruz, CA 95060

Pursuant to 19 CCR § 2745.2(d), any comments submitted by the public to CSCEHD will be taken into consideration during the evaluation review. If you have any comments or questions regarding this public notice, please contact our agency at (831) 454-2022 or at HazMat@santacruzcounty.us. It is not necessary to respond if you have no comments.
